Basic Judaism (Harvest Book.): Milton Steinberg ...

(Incidentally, be aware that "Basic Judaism" lacks all of the following: a bibliography, a glossary, any appendices, and an index!) Though I found this a pleasant read, I wouldn't use it as a starting point for any in depth study of Judaism.

Basic Judaism (Harvest Book.): .co.uk: Milton ...

Concise and elegant, this is a book about the Jewish religion not about the Jewish culture or Zionism, but about those beliefs, ideals, and practices that make up the historic Jewish faith.

Basic Judaism (Harvest Book.) by Milton Steinberg ...

Rabbi Steinberg identifies seven strands that weave together to make up Judaism: God, morality, rite and custom, law, sacred literature, institutions, and the people.

Basic Judaism (Harvest Book.) by Milton Steinberg

I can't imagine I could have chosen a better book for getting the concept of Judaism. There probably are better books to get, though, if you are looking for a book about how to live as a Jew. The book is obviously very pro Jewish and he seems usually to give the modernists the better slant without being disrespectful to tradition. If you just want to know what Judaism is, I can definitely recommend this book.

: Customer reviews: Basic Judaism (Harvest Book.)

I could forgive much of this (since the book is only 172 pages long) except for the fact the author is verbose especially in the first half of the book. (Incidentally, be aware that "Basic Judaism" lacks all of the following: a bibliography, a glossary, any appendices, and an index!) Though I found this a pleasant read, I wouldn't use it as a starting point for any in depth study of Judaism.
