What are Cultural Values? (With 20 Examples) | Life Persona

From the outside, the cultural values of a group can often be difficult to understand. However, within a group, cultural values are the central and ideal principles upon which the entire community is constituted. Examples of cultural values 1 Cows in India . In India, 80% of the population practices the Hindu religion. For the believers of this religion, the figure of the cow is venerated and should not be sacrificed.
