Earth First! Direct Action Manual | AK Press

The Direct Action Manual contains 300 pages of diagrams, descriptions of techniques and a comprehensive overview of the role direct action plays in resistance—from planning an action, doing a soft blockade, putting up a treesit or executing a lockdown; to legal and prisoner support, direct action trainings, fun political pranks, and more. The DAM has been compiled and updated by frontline activists from around the US to help spread the knowledge and get these skills farther out in the world.

Earth First! Direct Action Manual – 1st Edition | Earth ...

But the Direct Action manual was more than that. It also contained short articles about Critical Mass, The Animal Liberation Front, varying theories on non violence as an ethic vs. a tactical choice, and plenty of discussion of practical security measures for activists. It not only put the power of blockades into the hands of the masses, it also put minds into motion to consider the best ways forward for the radical environmental movement.

Earth First! Direct Action Manual Moonbattery

The Direct Action Manual's radical tone is evident from its first line, which describes how activism is needed as "the staggering forces of greed push consumerism and the wholesale destruction of the Earth to unheard of levels." "Consumerism" means economic freedom, a.k.a. capitalism. It doesn't take long for the commie red to appear beneath the green veneer that coats environmental extremism.

Earth First! | Terrorist Groups | TRAC

More militant members of Earth First! split into another, more violent Earth Liberation Front. Third Edition Direct Action Manual In 2017, Earth First! released the third edition of their "Direct Action Manual" described as "The DAM is almost 300 pages of diagrams, descriptions of techniques and a comprehensive overview of the role direct action plays in resistance—from planning an action ...

Earth First!

The UK Earth First! groups differed considerably from the U.S. groups as reported in a ten year retrospective of the Earth First! by two of the founders Jake Bowers and Jason Torrance: We knew EF! US's original hardline "rednecks for wilderness" attitude wouldn't appeal here, so we set out to build a group that combined radical action and social justice to protect Britain's few remaining natural places.
