## **Feast for the Eyes: The Story of Food in Photography — PCA**

Exhibition curated by Susan Bright and Denise Wolff. Photographs of food are rarely just about food. They hold

our lives and time up to the light.

**Feast for the Eyes – The Story of Food in Photography ...**

Feast for the Eyes shows the rich history of food photography not only in the visual arts, but also in commercial and scientific photography and photojournalism. From the banality of the diner breakfast special of Stephen Shore to the allegorical still life of Laura Letinsky, from Roger Fenton's extensive nineteenth century displays of food to the cookbooks of the sixties. The extensive exhibition, Feast for the Eyes, explores the most important figures and movements in food photography.
