### **A manifesto for the fragile city GSDRC**

The city is at the centre of global geopolitical, economic and demographic transformation. However, fragility is no longer confined to nation states, with insecure, disorganised and violent urban areas potentially giving rise to national unrest, civil conflict and urban insurgency.

### **Fragile state**

There is a relationship between state fragility and service delivery and they are both seen as interrelated and mutually reinforcing, yet some also suggest that the provision of basic services can reduce state fragility.
