Driver Skills — Murcotts Driving Excellence

Skills are crucial to safe driving behaviour. Skills generally can only be acquired through training and repeated practice. Considering the complexity and multi tasking demands of safe driving, most drivers have received little training hence the high crash rate. For example very few new drivers have been taught or tested on the open road and at speed. Developing hazard awareness skills at 100 km h is very challenging compared to 50 or 60 km h.
