## **The soul of all living creatures: what animals can teach ...**

"The Soul of All Living Creatures" is a book about real life animal observations through the lenses of a veterinarian who encounters in his work with animals a variety of hurdles, and proposes imaginative solutions to help save or alleviate the suffering of these wonderful creatures. Per example, the author discusses a story about the connection he made with a dog that was traumatized after being hit by a truck, or talks about his encounter with a mouse that was trapped in the storm.
